November 2026

What's On

1st Sunday Quiz Night

Don't forget that it's the "First Sunday" Quiz Night on **Sunday December 6th**. Your Quiz Inquisitors for this evening will be Charles and Julie Flower. Usual arrangements, teams of six, £2.50 per head, prizes for first and second places, sweeties for the tail enders. We start at **7:30pm**, with a short 'nibbles' break at half time. We have been having very well attended Quiz nights over the last few months, so please make sure that you reserve your team's table for the next quiz on the reservation form that will be on the bar at the end of the evening. Good Luck!

Winter Wednesday Talks

Our November talk is on **November 25th** at **7:30pm** and is from a club favourite, Max Keen. For those of you who haven't seen him, he has been described as 'the teacher you wish you'd had at school' - colourful, funny and informative. Max will be talking to us this month on 'Clive of India', a controversial historical figure who lived in Shropshire and represented Shrewsbury in Parliament. Entry is £2.50 per person payable on the evening. The talk will be for about an hour with a short break at half time. Looking forward to seeing you there.

May we respectfully request that members not attending the functions make use of the seating area in the snooker room for the duration of these events.

Chloe Chadwick's Country Roads Trio – November 14th

Tickets are £12.50 each and are available from the bar.

Old Farts – November 28th

Sold Out. Proceeds from this event will be going to Huntingdon's Charity.

Play Your Cards Right 

There are 3 PYCR evenings planned before Christmas. These will be at **7:30pm** on **Friday November 27th, December 11th and 18th**. This format will be as before, with a guaranteed jackpot of £250 on the first 2 dates, and the balance of the prize pot on the final date. All details will be on the TV in the lounge shortly to remind you all.

New Years Eve Party

We are hosting a Traitors Themed Party to see in the New Year. Admission is FREE. If you would like to enter the game, there will be a fee of £5. Details of entry will be advertised in December.

Club News

If any member has a skill or resource that could be of benefit to The Club, and they are willing to volunteer that service, please let us know.

Following a number of observations about the general fixtures and décor, in the lounge in particular, we will be reviewing the situation over the coming months. There are several items of works that are being investigated at the moment – not least the heating/cooling system – which clearly have an impact on any redecoration works, and the order in which works are carried out.

Bar

As mentioned in previous newsletters, we've seen an increase in our operating costs this year, including the duty increase introduced in February and higher staffing costs. To help us to continue providing the quality and service you enjoy, while keeping our prices as competitive as possible, we need to make an adjustment to our prices as of the **January 1st 2027**.

We appreciate your understanding and continued support, which helps us keep the club running for the benefit of all our members

Snooker

Please note that all 2nd round matches of Club Knockout must be played by **November 22nd**. All fixtures and deadlines are on the noticeboard in the snooker room.

There will be another Speed Snooker event on **Saturday December 5th**. A separate e-mail will go out shortly with all details.

Membership

As we are nearing our maximum number of members, we will not be accepting any new members with immediate effect. Any new applications will be placed on a waiting list until early 2027, when the membership is assessed following completion of the 2027 renewal process.

We would like to remind members about our guest sign-in procedures. We've noticed that some regular visitors are attending the club without being signed in. ***This is a requirement of our club licence***, so all non-members must be signed in by a member when they visit and pay the £1 visitor fee.
